

Take Home a Riggs Beer: Growlers

It is illegal to consume growler contents on premise. These containers are for take-home only.

1. Buy an empty growler (or bring your own)

\$25
40oz
Stainless
Steel

\$6
64oz
Glass

2. Choose a fill

Beer Style	40 oz	64 oz
American Lager	\$ 7	\$ 12
Hefeweizen	\$ 7	\$ 12
Red Lager	\$ 9	\$ 14
India Pale Lager	\$ 9	\$ 14
Barleywine	\$ 18	\$ 28
All other Seasonals	\$ 9	\$ 14

Growlers can be reused many times. We will only fill clean growlers. If you have 64 oz. glass growler, we will provide you with new cap for every fill. If you have a different size growler, you must bring your own cap.

We suggest you drink your growler within 2-3 days to enjoy its freshest taste.

You may use a non-Riggs branded growler you already own. If you bring a growler in a size other than 64 oz. or 40 oz., we will fill it but charge you for the next larger size.

Take Home a Riggs Beer: Kegs

Keg purchases directly from the brewery are only legal for private events. If you carry a liquor license, please contact Skeff Distributing for details.

1. Choose a size and fill

Beer Style	1/6 barrel (approx. 5.16 gallons / 42 pints)	1/2 barrel (approx. 15.5 gallons / 124 pints)
American Lager	\$ 75 + deposits/fees	\$ 155 + deposits/fees
Hefeweizen	\$ 75 + deposits/fees	\$ 155 + deposits/fees
Red Lager	\$ 85 + deposits/fees	\$ 175 + deposits/fees
India Pale Lager	\$ 85 + deposits/fees	\$ 175 + deposits/fees
Barleywine	\$ 170 + deposits/fees	\$ 350 + deposits/fees
All other Seasonals	\$ 85 + deposits/fees	\$ 175 + deposits/fees

2. Party pump / Freshness

For your convenience we rent party-pumps. This will allow you to tap directly from the keg without having a kegerator. You won't need any additional equipment. But please be aware that the party-pump introduces oxygen into the keg with will cause the beer to stale quickly. So for maximum freshness, we recommend emptying the keg the same night of tapping it. The beer will stay fresh much longer (about 6 months) using a kegerator with CO2 pressure system. If you have a kegerator, you won't need a pump.

3. Reserve it and be aware of fees!

Keg supplies are limited. If you know you will need one a few weeks from now, it is best to reserve it today. Talk to you bartender about details or call the tap room at 217-718-5345.

There is a \$100 deposit for each keg. If you need a party-pump, there is an additional \$100 deposit required. **All deposits need to be made in cash on the pickup day** and are fully refundable if the kegs/pumps are returned in a condition expected after normal use.

There is also a \$5 rental fee for the party pump. This covers our cost for cleaning the equipment. The rental fee is due upon return of the equipment.

If you return a keg purchased at our tap room and pick up a new one, we can roll over your deposit. If you purchased a keg at a different retailer, you have to bring it back to that retailer, as it has to get back to us via that retailer and a distributor for legal reasons.
